Site Map Showing Results of
Ground-Penetrating Radar Surveys for Investigation
of Subsurface Utilities and UST

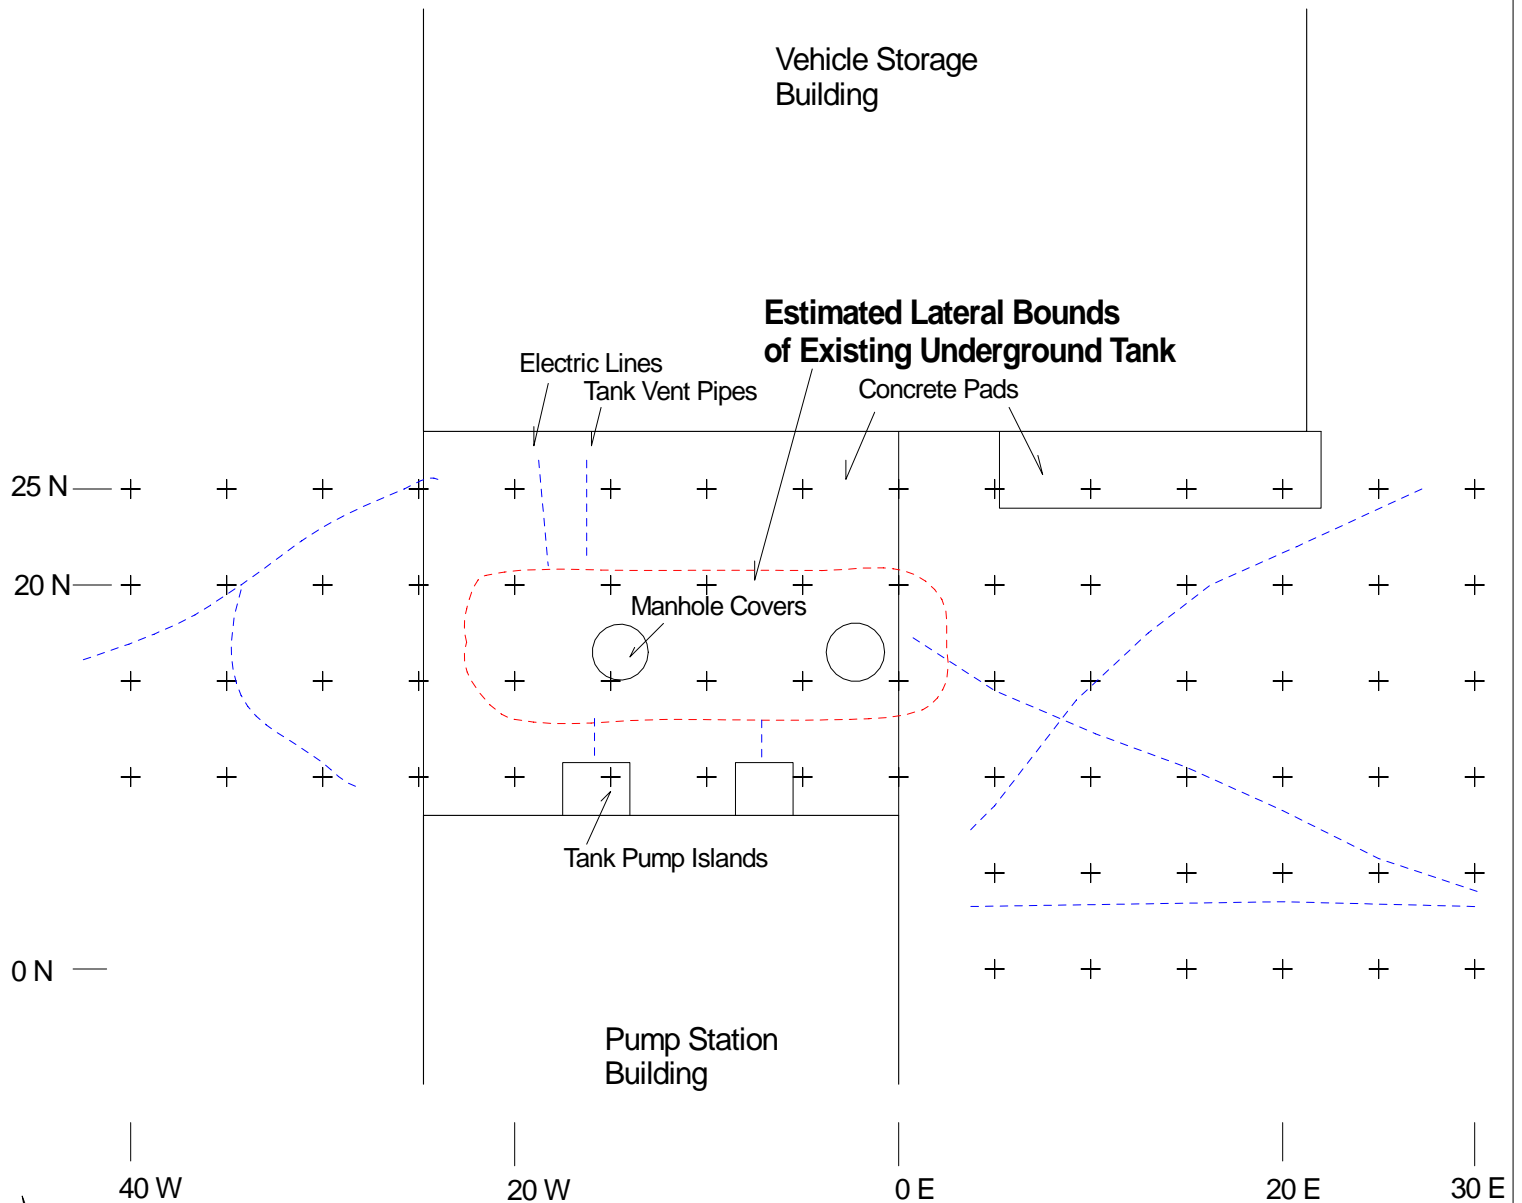

Goleta, California

Area 1

**Existing Underground Fuel Storage Tank Area
South of Vehicle Storage Building**

Explanation

- + + Survey Grid Points (Showing Survey Coverage)
- - - - Alignment of Similar Arch-Shaped GPR Reflection Patterns Indicating Pipelines
- GPR Reflection Patterns Indicating Evidence of Other Subsurface Features as Noted

Approximate North
Scale 1 inch= 10 Feet
